Gingerbread recipe

Sorry I only have quantities for 96 portions. I have cut it down to one eighth and one sixth with success.

Plain flour 6lb

Ground Ginger 2.5 oz

Mixed Spice 0.5 oz

Golden Syrup 3lb

Treacle 2lb

Margarine 2lb 8oz

Milk 2.5 pints

Bicarbonate of Soda 2.5 oz

1. Mix dry ingredients except bicarb
2. Melt marg, syrup and treacle, adding most of the milk
3. Add melted ingredients to dry and mix until blended
4. Mix bicarb with leftover milk and mix in quickly to form a smooth batter
5. Bake at Gas mark 4 for 35-40 minutes
